

UNITED STATES DISTRICT COURT  
NORTHERN DISTRICT OF CALIFORNIA

PATRICK MISSUD,

No. C-12-5468 EMC

Plaintiff,

**ORDER QUASHING SUBPOENAS**

v.

**(Docket No. 159)**

STATE OF CALIFORNIA, *et al.*,

Defendants.

This case was closed on February 5, 2013, and is currently on appeal to the Ninth Circuit. On June 17, 2013, Plaintiff filed with the Court a letter to various individuals who are not parties to this case regarding an arbitration hearing that has no discernible connection to this matter. Docket No. 159. Attached to this letter were two subpoenas captioned as subpoenas in this case and other closed cases in this district in which Plaintiff is a party. As this case has been closed, and as the subpoenas do not relate to the subject matter of this case, they are improper.

Accordingly, the Court orders the attached subpoenas quashed.

IT IS SO ORDERED.

Dated: June 24, 2013

  
EDWARD M. CHEN  
United States District Judge
